Article No: **1018560000**
EAN Code: **4067393010487**
Date: **Sep 02. 2026**

PRODUCT DESCRIPTION

Cuboid, convenient and water-saving – this GROHE Dice basin tap is designed for modern life and can be installed in no time

With its characteristic soft square design, this compact GROHE Dice single-lever mixer is sure to be a focal point in your bathroom. Its striking looks are complemented by a set of equally attractive features. The solid metal lever invites interaction with its elegant upwardly curved shape. Inside, the durable GROHE SilkMove ceramic cartridge ensures smooth, precise volume and temperature control, with an integrated temperature limiter to save energy. For even more sustainability, the flow limiter reduces water consumption to an efficient 5l/min (at 3 bar), while still giving a powerful jet of water. A useful pop-up waste is operated by a small rod on the back of the tap, so you can open and close it without getting your hands wet. Thanks to the hard-wearing and easy to clean GROHE LongLife finish, this bathroom mixer in dazzling chrome will stay looking pristine for years to come. Surprisingly easy! Designed for single-hole installation – with the help of the QuickTool, QuickGuide and QuickVideo, the tap can be fitted in record time. By the way: our Dice collection can perfectly combined with both round and square taps, showers, accessories and ceramics, to create a harmonious overall design.
