Article No: **1018612430**
EAN Code: **4067393010074**
Date: **Aug 29. 2026**

PRODUCT DESCRIPTION

The GROHE Dice single-lever basin mixer in stunning matt black offers great looks with energy- and water-saving operation – and all in an easy-to-install package

Crisp styling and smart design that ensures user-friendly performance and comfort make the stylish GROHE Dice single-lever basin mixer, with its elegantly curving metal handle, a makeover must-have. This compact tap is also super-sustainable, fulfilling all the demands of a modern bathroom. GROHE Water Saving technology limits consumption to an efficient 5l/min (at 3 bar), while still giving a powerful jet of water. Inside, the durable GROHE SilkMove Energy Saving cartridge offers smooth, precise volume and temperature control, and also avoids wasting energy via the cold start function when the lever is in the mid position. An integrated temperature limiter saves even more energy. And the enclosed push-open plug is operated by just a light push of your finger. Surprisingly easy! Designed for single-hole installation – with the help of the QuickTool, QuickGuide and QuickVideo, the tap can be fitted in record time. By the way: our Dice collection can perfectly combined with both round and square taps, showers, accessories and ceramics, to create a harmonious overall design.
