PRODUCT DESCRIPTION

The GROHE Dice bath tap in chrome – slim, beautiful, gentle to operate and with a matching concealed body.

The GROHE Dice collection is characterised by rounded edges and a simple, stylish design that lends it a special elegance, supported by sophisticated technologies and first-class workmanship. Thanks to the smooth and hard-wearing GROHE SilkMove ceramic cartridge, the water volume and temperature can be controlled with ease and precision using the high-quality metal lever. A changeover diverter enables a quick switch between bath and shower outlet. With the long-lasting and easy-care GROHE LongLife finish in gleaming chrome, the product always remains in spotless condition. GROHE Dice – designed to match, built to last!
