PRODUCT DESCRIPTION

Modern design, durable technology and swift installation – this is the GROHE Start Edge shower mixer

The exposed GROHE Start Edge shower mixer is a great way to make a real difference to your bathroom. Built to last and packed with unique GROHE technology, this elegant single-lever mixer is a delight to use. It has a solid metal lever handle for satisfying tactile operation. The control of water volume and temperature is precise and effortless thanks to the velvet smooth GROHE Long-Life ceramic cartridge. The multi-layered coating of the durable and easy-care GROHE Long-Life finish ensures a brilliant shine that lasts for years. The mixer features an adjustable flow rate limiter for saving water and a temperature limiter for saving energy. And the integrated non-return valve prevents any backflow of waste water into your clean water supply. It's also perfect for upgrades and revamps as installation is surprisingly easy: Thanks to the GROHE QuickSpanner the mixer can be mounted with no need for further tools. If you need more guidance, watch our QuickVideo or have a look at the QuickGuide.
