PRODUCT DESCRIPTION

An easy and practical finishing touch – the GROHE Start towel rail in chic chrome!

Easy to fit and super stylish! That's the GROHE Start towel rail – the simplest way to install a cool accessory that makes bathroom life more practical and enjoyable. Crafted from the finest materials, it is perfect for any modern bathroom, and with concealed fastening it has a beautiful finish that looks truly professional. The sturdy metal towel rail, which has a handy length of 654mm (useable length: 600mm), features the durable, easy-to-clean GROHE LongLife coating that sparkles for years. But don't forget how quick it is to install! The rail can be screwed to the wall (screws and dowels included) or, for an even more convenient solution, glued! All you need is GROHE QuickGlue (for two mounting plates use two glue syringes, 41128000, sold separately). Just check out our QuickGuide and QuickVideo to see how easy it is to fit. And if you want to create a seamless bathroom design then discover our complementary accessories like the toilet brush set, toilet roll holder, robe hook or towel ring. GROHE Start – a collection of elegant accessories that give your bathroom an easy upgrade!
