Article No: **1018330000**
EAN Code: **4067393009733**
Date: **Sep 08. 2026**

PRODUCT DESCRIPTION

Brilliant design at your service, from easy installation to brilliant performance every day – the GROHE Dice single-lever basin mixer in dazzling chrome also saves water

Created to offer everyday convenience and comfort, the stylish GROHE Dice single-lever basin mixer combines an elegant soft square shape with the gentle curve of the tactile metal handle. Inside, the durable GROHE SilkMove ceramic cartridge ensures smooth, precise volume and temperature control, with an integrated temperature limiter to save energy. For even more sustainability, GROHE Water Saving technology limits consumption to an efficient 5l/min (at 3 bar), while still giving a powerful jet of water. Thanks to the hard-wearing and easy to clean GROHE Long-Life finish, this bathroom mixer in dazzling chrome will stay looking pristine for years to come. And the enclosed push-open plug is operated by just a light push of your finger. Surprisingly easy! Designed for single-hole installation – with the help of the QuickTool, QuickGuide and QuickVideo, the tap can be fitted in record time. By the way: our Dice collection can perfectly combined with both round and square taps, showers, accessories and ceramics, to create a harmonious overall design.
