PRODUCT DESCRIPTION

The water-saving GROHE Dice basin tap in M-size in chrome with pull-out spout – compact in size and versatile in functionality!

The GROHE Dice collection is characterised by rounded edges and a simple, stylish design that lends it a special elegance, supported by sophisticated technologies and first-class workmanship. With a height of 235mm and a pull-out function, the spout ensures total freedom of movement – perfect for washing hair or cleaning the washbasin. After use, it can be easily retracted again thanks to the GROHE MagneticDocking system. Thanks to the smooth and hard-wearing GROHE SilkMove ceramic cartridge, the water volume and temperature can be controlled with ease and precision using the high-quality metal lever. GROHE EcoJoy technology efficiently reduces water consumption: the maximum flow rate is just 5 l/min at 3 bar, without compromising on performance. The push-open waste set allows you to open and close the drain at the touch of a button. With the durable and easy-care GROHE LongLife finish in gleaming chrome, the product always remains in spotless condition. This mixer tap is a GROHE QuickFix product! The GROHE QuickTool included in the scope of delivery makes installation easy and straightforward. The QuickGuide and QuickVideo guide you through the individual steps. GROHE Dice – designed to match, built to last!
