

GROHE QUICKFIX | DICE

SINGLE-LEVER BASIN MIXER 1/2" L-SIZE

Article No: **1018710000**
EAN Code: **4067393009931**
Date: **Sep 07. 2026**

PRODUCT DESCRIPTION

The GROHE Dice basin tap in chrome, with a high swivelling spout and advanced eco functions – a sheer highlight for the eye and the environment!

The GROHE Dice collection is characterised by rounded edges and a simple, stylish design that lends it a special elegance, supported by sophisticated technologies and first-class workmanship. The 360° swivel spout with a generous height of 311 mm provides additional flexibility – for example when washing your hair. The extremely smooth-running and hard-wearing GROHE SilkMove ceramic cartridge enables effortless and exact control of the water volume and temperature using the tactile lever made of solid metal. If the lever remains in the initial position, only cold water flows, which reduces energy consumption. This mixer is eco-friendly thanks to GROHE EcoJoy technology, which effectively minimises water consumption: With a maximum flow rate of just 5 l/min at 3 bar, the performance nevertheless remains at a high level. The drain can be opened and closed at the back of the tap using a pull rod. Thanks to the robust and easy-care GROHE LongLife coating in sparkling chrome, this product always remains flawless. This fitting is part of the GROHE QuickFix range! Thanks to the QuickTool supplied, installation is super swift. QuickGuide and QuickVideo are also available to help you with the individual steps. GROHE Dice – designed to match, built to last!
