SINGLE-LEVER BASIN MIXER 1/2" L-SIZE

Article No: **1018712430**
EAN Code: **4067393009948**
Date: **Sep 07. 2026**

PRODUCT DESCRIPTION

The GROHE Dice basin tap in L-size in matt black with high swivel spout and EcoMode & EcoJoy feature – impressive in terms of functionality and appearance!

The GROHE Dice line is characterised by rounded corners and an elegant, minimalist design, which is combined with modern technologies and top materials to create a special aesthetic. With a 360° swivelling spout that is a luxurious 311 mm high, there is more flexibility, e.g. when washing your hair. Thanks to the smooth and durable GROHE SilkMove ceramic cartridge, the water volume and temperature can be controlled with ease and precision using the high-quality metal lever. The fact that only cold water flows when the lever is in the initial position reduces energy consumption. GROHE EcoJoy technology efficiently reduces water consumption: the maximum flow rate is just 5 l/min at 3 bar, without compromising on performance. There is a pull rod on the back of the tap that can be used to open and close the drain. This product is part of the GROHE QuickFix collection! Fitting is child's play with the QuickTool supplied. The QuickGuide and QuickVideo also help you to master the installation steps with ease. GROHE Dice – designed to match, built to last!
