Article No: **1018720000**
EAN Code: **4067393009047**
Date: **Sep 03. 2026**

PRODUCT DESCRIPTION

Update your bathroom with the GROHE Dice bath tap – designed for speedy installation with a durable finish and soft square silhouette

This GROHE Dice single-lever bath mixer will add a unique and distinctive touch to your bathroom. Meticulously designed in every detail, this tap combines clear-cut cuboid lines and gentle curves to perfection. The solid metal lever invites interaction with its elegant upwardly arched shape. But it also impresses with its inner values: the durable GROHE SilkMove ceramic cartridge ensures smooth, precise volume and temperature control. An adjustable flow rate limiter reduces water consumption, while a temperature limiter saves energy. And the integrated non-return valve prevents any backflow of wastewater into your clean water supply. The handy automatic diverter makes it swift to switch between bath spout and shower outlet. Simply add the GROHE hand shower of your choice – so rinsing your hair in the bathtub is suddenly a luxurious pleasure. Thanks to the hard-wearing and easy to clean GROHE LongLife finish, this bathroom mixer in dazzling chrome will stay looking pristine for a lifetime. It's also perfect for upgrades and revamps as installation is surprisingly easy: With the GROHE QuickSpanner, the mixer can be mounted with no need for further tools. If you need more guidance, watch our QuickVideo or have a look at the QuickGuide. By the way: our Dice collection can be perfectly combined with both round and square taps, showers, accessories and ceramics, to create a harmonious overall design.
