Article No: **1018770000**
EAN Code: **4067393009214**
Date: **Sep 08. 2026**

PRODUCT DESCRIPTION

A characteristic design plus user- and eco-friendly features – the smart and stylish GROHE Dice bidet mixer can be installed in no time

A fusion of smooth curves and crisp cuboid lines this, GROHE Dice single-lever bidet mixer will make a highly aesthetic addition to your bathroom. And it's packed with practical functions. Operation is smooth and easy via the solid metal lever handle that invites interaction with its elegant upwardly arched shape. Inside, the durable GROHE SilkMove ceramic cartridge ensures stepless, precise volume and temperature control, with an integrated temperature limiter to save energy. For even more sustainability, GROHE Water Saving technology limits consumption to an efficient 5l/min (at 3 bar), while still giving a powerful jet of water. The spout has a ball joint to let you angle the spray accurately, while the pop-up waste is operated by a small rod on the back of the tap, so you can open and close it without getting your hands wet. Thanks to the hard-wearing and easy to clean GROHE Long-Life finish, this bathroom mixer in dazzling chrome will stay looking pristine for years to come. Surprisingly easy! Designed for single-hole installation – with the help of the QuickTool, QuickGuide and QuickVideo, the tap can be fitted in record time. By the way: our Dice collection can perfectly combined with both round and square taps, showers, accessories and ceramics, to create a harmonious overall design.
