Article No: **26031001**
EAN Code: **4005176681356**
Date: **Sep 07. 2026**

PRODUCT DESCRIPTION

A bigger spray face and new, slimline look are just some of the features that make the GROHE Vitalio Start 110 hand shower your bathroom upgrade must-have

Breathe new life into your showering experience with the GROHE Vitalio Start 110 hand shower. The 110mm hand shower features 3 sprays to suit different moods: soothing Rain eases stress, Massage invigorates, while the focused Jet is ideal for rinsing hair after shampooing. All are easy to access using the innovative GROHE SmartSwitch diverter on the back of the shower head. The GROHE DreamSpray technology matches the flow of water from each nozzle, for a uniform spray pattern. The ShockProof silicone ring protects the hand shower itself, or the shower tray or bathtub, from damage if it's accidentally dropped. Its crisp good looks and premium performance will last for years – the shower features GROHE SpeedClean silicone nozzles that can be cleared of limescale and dirt with a brush of your finger and the GROHE LongLife finish is hard-wearing and easy to clean for a durable yet dazzling surface. It's water efficient too, with the flow limiter that significantly reduces water consumption (maximum flow rate at 3 bar: 7.4l/min) without compromising on performance. A minimum of 1.0 bar of pressure is recommended. No tools required – thanks to the QuickFix promise, installation is surprisingly easy! The Universal Mounting System fits all standard shower hoses – just screw the hose in place. If you need some extra guidance, watch our QuickVideo or have a look at the QuickGuide.
