PRODUCT DESCRIPTION

Top performance, easy fitting and stylish features make the GROHE Vitalio Start 110 shower set the perfect instant bathroom upgrade

The new-look GROHE Vitalio Start 110 shower set offers increased coverage with a slimmed down profile and added functionality. The 110mm hand shower delivers the soothing Rain spray to gently enclose you in a soft but steady flow, as the GROHE DreamSpray technology matches the flow of water from each nozzle, for a uniform spray pattern. It's water efficient too, with the GROHE Water Saving flow limiter that significantly reduces water consumption without compromising on performance. A minimum of 1.0 bar of pressure is recommended. GROHE SpeedClean enables you to brush the nozzles free of limescale with just a finger. The ShockProof silicone ring protects the hand shower itself, or the shower tray or bathtub, from damage if it's accidentally dropped. The package includes the VitalioFlex Trend 1500mm shower hose. The sturdy hose is built to revel in hard work and can withstand water pressure up to 5 bar, tension up to 50kg and heat up to 70°C. The smooth surface is easy to clean – one quick wipe with a dry cloth and it looks as good as new – and it won't cause any damage if it comes into contact with the shower cubicle or bathtub. The AntiFold design ensures it won't bend and end up with annoying kinks. With the dazzling but hard-wearing GROHE Long-Life finish, this set will stay looking pristine for years to come. No tools required – thanks to the QuickFix promise, installation is surprisingly easy! The Universal Mounting System fits all standard shower hoses – just screw the hose in place. And the GROHE ProGrip nuts of the hose have a knurled surface for optimal grip and easy tightening. If you need some extra guidance, watch our QuickVideo or have a look at the QuickGuide.

PRODUCT INFORMATION

- Consisting of:
- hand shower Vitalio Start 110 (27 940)
- **AquaCalibrator**
- maximum flow rate (at 3 bar): 7.6 l/min
