PRODUCT DESCRIPTION

Designed to give years of comfort – with the bonus of hassle-free QuickFix installation – the GROHE VitalioFlex Metal Long-Life 1500mm shower hose has a lot to offer

This GROHE VitalioFlex Metal Long-Life shower hose can be easily fitted as a DIY project and will bring style and functionality to any modern bathroom makeover. The 1500mm length makes it ideal for use with a shower system or shower rail set. This cleverly designed GROHE Long-Life strengthened model is built to revel in hard work and can withstand water pressure up to 16 bar, tension up to 75kg and heat up to 75°C. The AntiFold design ensures it won't bend and end up with annoying kinks, plus the GROHE Long-Life Shine chrome finish is durable and easy to maintain. No tools needed – installation is surprisingly easy! Simply screw the shower hose on: The universal connections are compatible with all standard hand showers and mixers. And the GROHE ProGrip nuts have a knurled surface for optimal grip and easy tightening. If you still need some guidance, watch our QuickVideo or have a look at the QuickGuide. With a tough and durable design, this hose superbly matches a wide range of GROHE shower collections to create a harmonious bathroom look. GROHE VitalioFlex Metal Long-Life shower hoses – delivering high performance for a lifetime!
