PRODUCT DESCRIPTION

Kink-free, versatile and offering the choice of easy DIY fitting thanks to QuickFix, the GROHE VitalioFlex Metal 1750mm shower hose is an all-round user-friendly option

If you're making over your bathroom and want to take the hassle out of it, this GROHE VitalioFlex Metal shower hose is designed to be easy to install by yourself and give a lifetime of smooth operation. The 1750mm length is ideal with a shower system or shower rail set. This sturdy hose is built to revel in hard work and can withstand water pressure up to 5 bar, tension up to 50kg and heat up to 70°C. The AntiFold design ensures it won't bend and end up with annoying kinks, plus the GROHE Long-Life Shine chrome finish is durable and easy to maintain. No tools needed – installation is surprisingly easy! Simply screw the shower hose on: The universal connections are compatible with all standard hand showers and mixers. And the GROHE ProGrip nuts have a knurled surface for optimal grip and easy tightening. If you still need some guidance, watch our QuickVideo or have a look at the QuickGuide. With a tough and durable design, this hose superbly matches a wide range of GROHE shower collections to create a harmonious bathroom look. GROHE VitalioFlex Metal shower hoses – delivering high performance for a lifetime!
