PRODUCT DESCRIPTION

The GROHE VitalioFlex Comfort 1750mm shower hose easy to install yourself thanks to the QuickFix package and will give years of trouble-free use

Designed to be an easy upgrade, the GROHE VitalioFlex Comfort shower hose is also low-maintenance and a stylish addition to any bathroom makeover. And with a length of 1750mm it's ideal for use with a shower system or shower rail set. This sturdy hose is built to revel in hard work and can withstand water pressure up to 5 bar, tension up to 50kg and heat up to 70°C. The smooth surface is easy to clean – one quick wipe with a dry cloth and it looks as good as new – and it won't cause any damage if it comes into contact with the shower cubicle or bathtub. The AntiFold design ensures it won't bend and end up with annoying kinks, while the TwistStop rotation cone prevents the hose from twisting. No tool needed – installation is surprisingly easy! Simply screw the shower hose on: The universal connections are compatible with all standard hand showers and mixers. And the GROHE ProGrip nuts have a durable GROHE Long-Life Shine chrome finish and a knurled surface for optimal grip and easy tightening. If you still need some guidance, watch our QuickVideo or have a look at the QuickGuide. With a durable design, this hose beautifully complements a wide range of GROHE shower collections to create a harmonious bathroom look. GROHE VitalioFlex Comfort hoses – delivering great performance and value!
