Article No: **31374001**

EAN Code: **4005176478543**

Date: **Sep 14. 2026**

PRODUCT DESCRIPTION

Distinctive design and durability for a busy kitchen – that's the quickly installed GROHE Start Loop tap

Chic and crafted using precision German engineering, the GROHE Start Loop single-lever sink mixer has a distinctive C-shaped spout, is a delight to use and performs perfectly for a lifetime. The GROHE SmoothControl ceramic cartridge ensures the control of water flow and temperature is effortless and precise via the inviting loop-shaped lever handle.

The high spout makes filling large pots and tall vessels easy, and the 360° swivel range offers additional flexibility and convenience. Isolated inner water ways ensure that water is lead- and nickel-free within the tap. Finished in the dazzling but durable GROHE LongLife coating this kitchen tap will stay looking immaculate for years to come.

Designed for single-hole installation and with the help of the QuickGuide, QuickVideo and the GROHE QuickMount system the tap can be fitted in no time. A minimum of 1.0 bar of pressure is recommended.

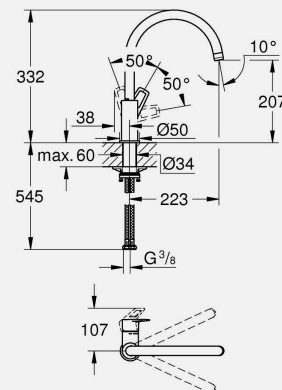

GROHE QUICKFIX | START LOOP
