PRODUCT DESCRIPTION

GROHE Start towel rail – stainless steel style and elegant convenience!

Stylish, practical and surprisingly easy to fit! That's the GROHE Start towel rail, the simplest way to install a cool accessory that makes bathroom life more enjoyable. Crafted from the finest materials, this handy rail is perfect for any modern bathroom, and with concealed fastening it has a beautiful finish that looks truly professional. The towel rail, which has a handy length of 504mm (useable length 450 mm), features a durable, easy-to-clean GROHE Long-Life Shine PVD coating which is ten times more scratch resistant than normal chrome. But don't forget how easy it is to install! The rail can be screwed to the wall (screws and dowels included) or, for an even more convenient solution, glued! All you need is GROHE QuickGlue (for the two mounting plates use two glue syringes, 41128000, sold separately). Just check out our QuickGuide and QuickVideo to see how easy it is to fit. And if you want to create a seamless bathroom design then discover our complementary accessories like the toilet brush set, toilet roll holder, robe hook or towel ring. GROHE Start – the easy way to give your bathroom a quick upgrade!
